 - Solar Homes-net zero for medium energy users
 - Energy efficient tankless Rinnai® gas water heater
- **Net zero does not apply to options that increase square footage.

HEALTHY
HOME

- HVAC systems with MERV 13 filtration, designed to capture airborne particles less than a micron in size including bacteria, pet dander, and smoke.
 - High-quality inline kitchen water filtration with the Everpure out-of-sight filter, which catches contaminants and removes sediment between your pipes and your tap to reduce chlorine tastes and smells, prevent cloudy water, and keep water flowing easily and clearly.
 - The Delta Touch 2.0® Faucet with VoicelQ™, which allows you to turn your kitchen faucet on and off with just a touch or the sound of your voice*.
 - Exterior and interior building standards designed to keep the insides of your walls dry to help prevent mold, including water-resistant house wrap, flashing, and sealants to keep moisture out.
 - Durable PEX tubing for plumbing and DensShield® Tile Backer in bathrooms to create a moisture barrier between your shower and interior walls.
 - Carpet, cabinets, and adhesives certified as low-VOC.
- *Works with your Alexa or Google Home device.
